Apex Universal

Apex Universal is a diverse North American company engaged in e-Commerce, trade, import, distribution, and export activities.

We are a quality focused international trading company that represents leading artisans and suppliers determined to provide the finest natural handicrafts and other specialty products.

We use natural and responsibly sourced organic raw materials, which our artisans meticulously work on to transform them into master pieces worthy of our esteemed customers.

Honesty, Quality, Integrity, and Trust are what our company's reputation is built upon. We place our customers as the priority in all stages of production and customer service delivery chain.

HIMALAYAN PINK SALT

Nature formed Himalayan salt crystals around 500 million years ago, we hand-crafted it into beautiful master pieces for your homes.

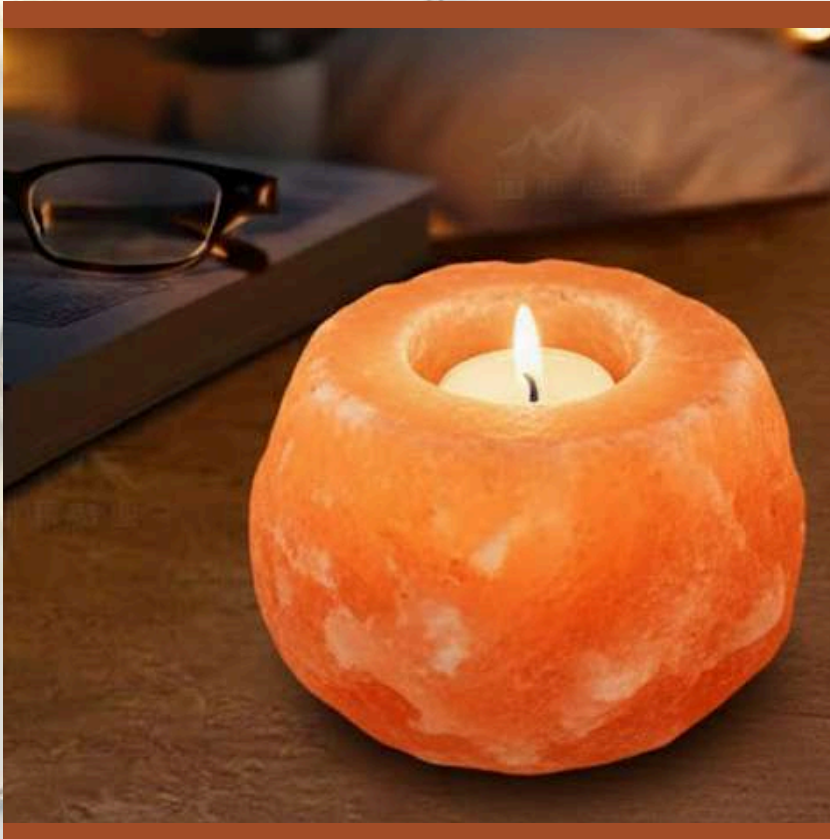

Apex Universal strictly sources from the Himalayan Salt range (Khewra Mines) in Pakistan and creates the Salt lamps under strict supervision and quality assurances from manufacturers to ensure the satisfaction of our customers.

A person wearing a red hoodie is riding a light-colored horse through a vast, arid landscape. The horse is being led by a person in a brown jacket and a hat. In the background, there are large, rugged mountains with patches of snow under a cloudy sky. The scene is framed by a large, dark, triangular graphic element.

Thankyou.
